Appendix 12

Church Visits: After-Mass Reflection Questions

_____	_____	_____
Name of Church Visited	Date of Visit	Visitation Team Members

This form is to be filled out after attending a Mass in the named church. This presumes that the church was toured before the Mass, and that a church assessment form was completed. The focus here is how the church affected you while you were a member of that praying community. Space is left between the reflection questions for your thoughts and ideas.

1. What was there about this church and its environs that helped me to pray?

2. What was there about this church or its environs that blocked prayer, distracted, or bothered me?

3. What was it about this church—its space, its art, its images—that was well done? Why?

4. What would I want to see configured, arranged, styled, or portrayed differently? Why?

5. Was I comfortable with this church space, its acoustics, light levels, and textures? Why?
